

Shurtape Technologies, LLC Programme for the Endorsement of Forest Certification (PEFC) Management Commitment

The management hereby declares its commitment to implement and maintain the Chain of Custody requirements in accordance with the PEFC Chain of Custody Standard PEFC ST 2002:2013, Second edition (8.2.1.1).

Shurtape Technologies, LLC, as part of our ongoing commitment to the environment, embraces the policies of responsible forest management and has established a Chain of Custody System that maintains the integrity of certified material. Our certification with the PEFC (Programme for the Endorsement of Forest Certification) demonstrates we are committed to providing our customers with materials that come from well-managed forests.

Shurtape Technologies, LLC conducts these activities in accordance with the applicable certification standards. Shurtape Technologies, LLC ensures that employees are aware of their responsibilities within the Chain of Custody system and provides appropriate training and support to maintain the integrity of the system. Shurtape Technologies, LLC conducts regular reviews in order to continually improve the system.
